SCHOOL EDUCATION EXPO

A huge thank you to the 9 Tines, 7 Intermediates, 5 Seniors and their parents/carers who gave up their Sunday afternoon to perform at this event. Everyone did a great job and we had some enquiries! Also thank you to the Sub-Juniors and Intermediates who offered to participate but we didn't do their items.

MAY COMPETITION RESULTS

Sub-Juniors Clubs-2nd, Aesthetic-3rd
Intermediates Clubs-First
Seniors No Places

Well done to all the girls and our Coaches, Hayley, Courtney and Lisa on the great performances at the May Competitions. Whilst the Seniors didn't receive any places they performed extremely well against outstanding competition in the Senior Championship Division. This is the first time in the Clubs history that the Seniors have been in the Championship Division. It is only the second time that a team from our Club has been in Championship Division (Juniors in 2009).

PUPIL SKILLS

Pupil skills is an exam based program where girls learn set routines to music to increase their technique and terminology. It starts from Sub-Junior age. We strongly encourage girls to do this after competitions. Please chat to Courtney, Hayley or Lisa if you are interested. The closing date for entries is 29 August and the exams are 17-23 October.

SOLOS AND DUOS

It is a good time to start thinking about doing a Solo or Duo. All ages can do these—even Tinies! These Competitions are held in October/November. Talk with the Coaches if you are interested!

For those that stay at the Hall during class, remember in these cold months there is tea and coffee in the kitchen and also a heater that you can put on (please remember to turn off and unplug when you leave).

COMMITTEE MEETING

The next Committee meeting is Tuesday 21 June at 7.15pm.
