### THANK YOU

Thanks to Barbara Robinson, Brian Robinson, Josie Kerr and Lisa Beecken who did our Club's Volunteering at the Royalty Theatre for the Graceful Girl Competitions. Barbara, Brian and Josie DO NOT have girls at our Club so a HUGE thank you!

CASA, our association, have asked that every club supply 4 volunteers to each of the four Calisthenics Competitions this year, (Graceful Girl, May, State Championships, Solo/Duo). With the Graceful Girl competitions out of the way that only leaves three to go. CASA have stated if a Club does not supply the required number of volunteers it will be fined \$50.00 for every person short. It would be a shame to spend our fundraising money on fines rather than our girls. With only three more competitions this year we are looking for 12 more people to help. Tasks involved are taking the tickets at the door, selling programs, working in the canteen or being in the dressing room ensuring teams are ready to go on stage. By having volunteers do these tasks it helps CASA in keeping the costs down, in particular the price of entry tickets and that helps all of us! So when we ask you next time to volunteer please try and help out.
