We have many new girls to our Club in 2013 who have never competed in Calisthenic Competitions before so it is very exciting. The "May" Competitions are very different to the Competitions held later in the year. At these competitions all girls wear a black sleeveless leotard which they must supply themselves. There are no costumes worn. For the May Competition parents need to do their girls hair themselves. All girls wear their hair in a high bun pulled back tight and smooth with no wispy bits and have this done prior to arriving at the Theatre!! If you can't do this please speak to your Coach. For the Competitions held later in the year girls meet prior to the Competition for the Coach to do their hair and makeup. The competitions do not go very late so girls should eat prior to arriving at the theatre and just bring a bottle of water. Each team will receive a specific note regarding their makeup, arrival time and what else to bring.

GOOD LUCK GIRLS AND COACHES AND HAVE FUN
